

# Baby Care Cupboard

## Service Opportunity

Please join the Bonneville Kiwanis in giving service to babies, the most vulnerable members of our community.

Many families with children (newborns to three years old) are struggling to make ends meet and take proper care of their babies. Traditionally, donations to agencies such as the Utah Food Bank do not include baby food, diapers, formula, baby clothes, and blankets.

As Scouters, we are strong and avid supporters of the Scouting for Food drive and do not want to diminish our support of the Utah Food Bank in any way.

As a Council we encourage Scouts and Scouters everywhere to join the Bonneville Kiwanis in their efforts to hold individual service projects which focus on babies.

### **What is needed?**

- infant Formula
- Commercially Produced Baby Food
- Diapers - sizes to fit infants to three years old
- Clothes
- Blankets

This is an appropriate service project for Rank Advancements!
