S M A C (Silver Mesa Annual Celebration)

A BIG THANK YOU TO ALL WHO MADE THIS DAY A BIG SUCCESS. We had more people this year and a couple of more activities for them to do. We are getting a committee together to plan for next year's event, which will be on September 15, 2007. If you are interested in helping, contact any of the Roundtable Staff. We want to have this continue to grow and get bigger and better for our Cubs and their families. Thanks again for this years success.

**Special Note: On January 1, 2007, Advancements will be taken care of online. We will have more information and directions for you next month. After you enter all your information, you will print off a copy and take it to the Scout Shops for the patches, etc. Look for more information.

Also note the NEW Quality Unit award program and the 4 year program for the Centennial Award. We will have information on this also.

Do you have a Den
Chief?

If you do, bring him to Roundtable. We have training for them every month. If you do *NOT* have one, talk to your Scoutmaster and find a responsible boy of 13 or 14, who is a 1st class scout, to come help. It counts as a leadership position for the scout. This is a great opportunity.
