

HALLIDAYS LAWS FOR ADULT ADVISERS

THOU SHALT SUPPORT THY CHIEF	Of course it is difficult to be a chief. You are to help him be successful. His success is more important than you own - see to it.
THOU SHALT BE CONSISTENT	Whatever you agree to do for the chapter - do it and do it now! Ruin their expectations, and you can expect to fail. This is the major unacceptable
THOU SHALT HONOR MURPHYS LAW	Since all things that can go wrong, will, you must have a backup plan for every event or activity.
THOU SHALT HONOR THE WRITTEN WORD	A poorly written plan is better than an exquisite plan that relies on memory. Always write it down
THOU SHALT REMEMBER, TIME FLIES LIKE THE WIND, FRUIT FLIES LIKE BANANAS	Don't deal with fruit flies when you should be dealing with time. Make priorities and stick to them.
THOU SHALT SUPPORT THY LODGE	A chapter is the activity arm of the lodge. It is not an independent organization. You are to see that the lodge program succeeds.
THOU SHALT LOOK TO THE FUTURE	We are interested in what a boy can become, not so much in what he is. Let him see his potential through your eyes
THOU SHALT NOT BE A BUDDY	Remember youth want and need leaders - not a 40+ year old buddy. If you need buddies - join a bowling team. If you are an adult leader, be one
THOU SHALT REMEMBER BADEN-POWELL	His philosophy of "Train them, trust them, let them lead" still applies and is most successful if followed
THOU SHALT HAVE FUN	If you are not having fun, something is seriously wrong. If the youth are not having fun you are failing
